🔗 Link issue

▾

### Description

- Improve requests cards: show resource type, external/internal (with icon)
- Ability to copy the contents of the cart to the clipboard
- Missing cards: meta, images, svgs, css, js
- Testing with different websites (making sure that works with any response)
  - Make sure that nothing is hardcoded (accessing fields that might not exist with every response)
- Fix padding difference after line:

XB
