Intuitive front-end

A screenshot of the Droppe front-end interface for a product page. The page is divided into several sections:

- Features and use cases:** Includes an image of a pair of black and yellow gloves. Text says "Test first and buy later. Visit any product page to request your free sample." with a "Request sample" button. Below are buttons for "Request technical documentation", "Add to cart", and "Request a quote".
- Product specifications:** Lists details for a glove:
 - Back Material · Nitrile, Nylon
 - Cuff Style · Elastic
 - Glove Style · Full Finger, Knit, Multi Purpose
 - Support · Reinforced Thumb Crotch
 - Color · Grey, Yellow
 - Coating Material · Nitrile, Nitrile foam
 - Glove Size · Droppe Sizes
 - Material · Nitrile, High performance polyethylene fiber (HPPE), Nitrile foam, Nylon
 - Liner Material · High performance polyethylene fiber (HPPE), Nylon
 - Liner Style · Gloves
- Standards and labels:** Lists various standards and labels in rounded boxes:
 - Cut Resistant
 - Heat & Flame Resistance
 - Food Service
 - Hand Protection
 - Tear Resistance Level 4
 - Puncture Resistance Level 2
 - Cut Resistance, ISO 13997 Level B
- Footer:** Shows the Tegera logo, "Free shipping on orders over 500,00 €", and the product code TEG-8808.
